ABOUT SCALABRINI VOLUNTEERS

Scalabrini is a Cape Town based NGO that offers specialised services to Migrants, Refugees and South Africans. Scalabrini's services focus in four key areas including:

Para-legal advice office | Advocacy and Knowledge Sharing
Socio-economic Integration | Well-being and Welfare

Scalabrini's mandate is to support integration and advocate for human rights, we achieve this through a holistic approach that considers all basic needs.

Integral to the success of Scalabrini is the work that our volunteers do in the centre. Each year, we welcome both local and international volunteers who work in all areas of our programs. Without the commitments of volunteers we would not be able to reach as many clients as we do and provide many of the services they have access to.

2018 BASP volunteer

"My favorite thing is seeing people progress from when they start and it's difficult, to when they master their first project. It's been interesting to see how the world is moving to online degrees and the pros and cons of that model. Without the assistance Scalabrini provides, this degree would be incredibly difficult."
